The Tower of Learning

Day by day as we have gone through Ithaca high school we have been working and building the "Towers of Learning". Each day we added new bits of intelligence, each class mastered added new bricks to our tower, constantly growing to the final spire—graduation.

The foundation was laid in grade school and in high school the construction began in earnest. As Freshmen we looked up to the Seniors who were mounted on the highest pedestal. Now that we are Seniors, now that we have completed our "Tower of Learning," we are ready to build the "Tower of Life."

Dedication

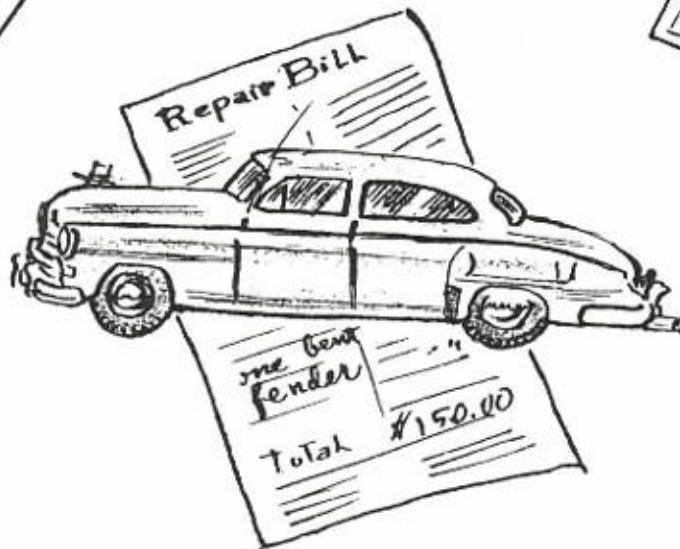

We the Senior Class of 1953 dedicate our Ithacansian to our beloved parents in sincere appreciation for their timeless efforts and understanding.

To you who offered the family car and paid our bills, overlooked our faults and rendered a helping hand, we pay tribute.

We cannot fully show our appreciation for your worries, your advice, and mostly your concern for us.

This dedication to you, our wonderful parents, is just a small way of saying "Thanks for everything."

Superintendent
Reynold E. Mick, A.B., M.A.

We, the Senior Class of 1953 want to express to you, Mr. Mick, our sincere thanks for your guidance these four years. We appreciate the time you have spent in giving us much needed instruction and direction. We are truly grateful for your patience and understanding.

We wish to thank you, Mr. Randall, for your interest in us, the Senior Class. Without your patience and consideration we would not have been able to achieve the heights that are now ours. You have truly been a friend of every student and a willing advisor to all.

Senior Class Meeting

After serving for six years as Superintendent of Ithaca Public Schools Mr. Mick accepted a position as Superintendent of the new Tawas Area School. We can truly say that we are sorry to see him leave but we are happy that Tawas picked such a fine man for their Superintendent and we, the Student Body of Ithaca High School, wish Mr. Mick all the luck and success that may come his way.

Real

A detailed black and white illustration of a right hand holding a fountain pen, positioned as if writing the word 'Real' in cursive. The hand is shown from the side, with the thumb and index finger gripping the pen. The pen is angled downwards towards the word. The word 'Real' is written in a fluid, cursive script, with the 'R' and 'e' being particularly large and stylized. The hand is wearing a dark, textured sleeve or cuff at the wrist.

Librarians Are Not Made; They Grow

Changing times and modern methods of our high school curriculum have made our school library a vital necessity to the student body and faculty members.

A wide selected list of useful and ready reference books in all the various fields of the high school curriculum were added this year.

Our responsibility is to help to achieve the educational objectives of the school and the community.

Ithaca high school is very proud of their Marching and Concert Band and of Mr. Roy Ketola their very able director.

Our marching band has performed many times during the halves of the football games. The Fall Festival, The Christmas and Memorial Day Parades have also been led by the marching band. Our high stepping drum major is Don Parling and the prancing majorettes are Harriet Berman, Roberta Arnold, Winnie Haley and Barbara Lewis.

The Concert band presented a combined Christmas program this year with the glee clubs. They participated in the District festival at Mt. Pleasant, March 21, playing "River Jordan" "Eroica", and "Parade March No. 2". They took a second rating.
